

The second practice session of the yet to-be-named town north band was held Monday night, 23 May 1966, in the band room of the Thos. Jefferson High School. We had a fine turn-out of 19 fellows which was an increase of 5 over the first get-together and all indications are that we can expect around 25 for the next practice to be held Monday night, 7:30, 13 June, again in the high school band room of T.J.

Incidentally, we realize that some of us may have to be late at times, and that's understandable and O.K., so come on out as soon as you can. However, our plan is that we will start promptly at 7:30 and end promptly at 9:30. We recognize that we started late and ended late last time, but this was primarily due to a shortage of warm bodies. We still anticipate some delay in smoothing out the operation, but just wanted you to know we recognize our shortcomings and, with your help and patience, we will have a fine band we can all be proud of and enjoy.

For the benefit of those who have not yet been able to make a practice session, we meet the 2nd and 4th Mondays of each month, 7:30 P.M., in the Thomas Jefferson band room and will continue to do so through the summer months. Please remember these dates and time as it is not intended at this time to send reminder cards prior to each rehearsal. Mark your calendars.

Oh yes! We are going to need to elect some stalwarts soon to help ramrod the band and you know who gets elected when you are not there!

See you Monday the 13th.
